Bryant's Commitment to Your Comfort

Since 1904, Bryant has earned the trust of U.S. homeowners by doing whatever it takes to deliver products of superior quality and performance. Thanks to the commitment and dedication of our development and manufacturing teams, American families have learned to count on Bryant for reliable indoor comfort solutions. Today, with environmental awareness on the rise, Bryant offers an excellent fit for concerned homeowners: the Model 123A Air Conditioner with Puron® refrigerant.

The Bryant® Model 123A provides worry-free comfort that won't deplete the Earth's ozone layer. At 13 SEER cooling efficiency, it delivers savings on your energy bills compared to previous systems you may have owned. Designed, built and backed by the most trusted name in the business, and installed by your trusted and professional Bryant dealer, the Model 123A Air Conditioner with Puron® Refrigerant provides comfort you can enjoy season after season.

Enjoy the Comfort of Trusted Reliability

Relaxing in the comfort of your home is easy with the Model 123A because this is one durable and reliable air conditioner. Durability is built-in with our DuraGuard™ protection package that looks good for years while protecting the outdoor coil from sports and lawn equipment and more. Inside, corrosion-resistant components and compressor-protection features help ensure this air conditioner delivers comfort when you need it.

In addition, Bryant's Model 123A provides the peace of mind that comes with choosing a system developed by a company known for its commitment to customer satisfaction. From initial design through product testing and an assembly process that includes our 5-step, 100% run test, we go beyond the industry's expectations for quality and reliability to be sure that every unit we make measures up to even tougher standards – yours.

Exceptional Reliability

Peace of Mind

A great warranty helps you enjoy your comfort with confidence. Bryant builds trusted reliability into every product, then provides additional peace of mind with excellent warranty protection.

To the original owner, the Bryant® Model 123A air conditioner is covered by a 10-year parts limited warranty upon timely registration of your new equipment.* Ask your Bryant dealer about optional extended warranties, which may include labor.

*Warranty period is 5 years if not registered within 90 days. Jurisdictions where warranty restrictions are not allowed will automatically receive a 10-year parts warranty. See warranty certificate at bryant. --- for complete details.

Performance

Control Your Comfort

Take control of your comfort with the Bryant® optional Housewise™ thermostat. Professionally installed by your trusted Bryant® dealer, the Housewise thermostat is your gateway to average heating and cooling energy savings of 20%.*

HOUSEwise

* Based on a 2012 third party study comparing Bryant Housewise™ technology to the estimated cost of a non-programmable thermostat set to 72° F at all times.

Regional Energy Efficiency Standards

On January 1, 2015, a new set of minimum efficiency standards took effect and created different efficiency minimums for split-system air conditioners in each of three regions - the North, Southeast, and Southwest. Your local Bryant® dealer can help explain why the Model 123A is the choice for your region.

■ North ■ Southeast ■ Southwest

Home Comfort Components

PURON® REFRIGERANT

Bryant's environmentally sound refrigerant keeps you cool without depleting the Earth's ozone layer.

1 ENVIRONMENTALLY SOUND, EXTRA-EFFICIENT

Our scroll compressor is designed for use with Puron® refrigerant to provide quiet, smooth-operating comfort and years of environmentally sound, trouble-free performance.

2 RELIABLE PERFORMANCE

Bryant's Microtube™ Technology refrigeration system with copper tube/ aluminum fin coil maximizes transfer of heat outside your home to ensure cooling efficiency. Coil materials and design minimize chances for rust and corrosion for lasting performance.

3 QUIET OPERATION

Smooth-running scroll compressor features naturally quiet operation that is further reduced with our compressor sound hood.

4 LASTING COMFORT

High-pressure switch and the filter drier protect the unit's most important single component: the compressor.

5 BUILT TO LAST

Bryant's DuraGuard™ protection package ensures lasting durability and good looks through years of exposure to weather, sports and lawn equipment and more. Three key elements to this package include: galvanized steel cabinet, baked-on powder paint and steel louvered coil guard.
